## PRESS RELEASE

Cologne, October 15, 2019

### Berner Group gains Ulrike Grimm as Vice President I

The B2B trading company Berner Group has recruited additional personnel for the setup and expansion of a customer-centric architecture. As Vice President IT, Ulrike Grimm will be responsible for the renewal of the existing system landscape. The project is an important component of the Berner Group's business model with its brand names Berner, BTI and Caramba Chemicals Group.

"Ulrike Grimm's tasks will include the design and implementation of the IT strategy as well as the optimization of existing processes and their redevelopment. I am delighted that we have been able to recruit Ulrike Grimm, an internationally experienced executive, for this important task," said Christoph Möltgen, CIO of the Berner Group.

Ulrike Grimm arrives at the C-parts dealer Berner Group from SAP Deutschland SE & Co. KG. As Head of Industry Division Consumer, Process and Services at SAP, she successfully managed and developed the Consulting Industry Cluster.

As of November 1, she will report directly to the Executive Board member Christoph Möltgen.

#### The Berner Group

The Berner Group is a family-run European commercial enterprise. Our vision is: "We keep the world together and moving." This means we are the central B2B trading partner for all materials in the maintenance, repair, and production segments for our customers in the building, mobility, and industry sectors. With more than four channels we create an integrated omni-channel purchasing experience for our customers. In the steel and C materials as well as chemicals segments we are also an innovative manufacturer. We are represented in over 23 countries for our customers with more than 200,000 items and 8,200 employees.
